Swimming Lesson General Information

The City of Tempe Community Services Department provides a progressive program, certified by the Starfish Institute, for students who wish to learn or improve upon their swimming skills. If you have concerns regarding your child's progress or ability level, please discuss them with the instructor or pool manager.

Fees for each class must be paid at the time of registration.

A student may register for a maximum of one (1) Learn-To-Swim class using any of the registration procedures below. A student may also register for special classes in addition to a swimming class.

Students may register for additional Learn-To-Swim classes after they have completed a class. At the end of the seventh lesson, each student will be provided with a skill progress sheet for the class in which he/she is currently participating and information on the next appropriate class.

Students will only be permitted to register for the next level of class by providing their skill progress sheet with their registration form.

All pre-registration activities are subject to cancellation three (3) days prior to the start date if minimum registration is not met.

Swim Teams

This program focuses on learning competitive stroke technique, while emphasizing the benefits of personal improvement in a recreational team environment. Children will have the opportunity to participate in competitive recreational meets. Dual and tri-meets are held between pools around the valley, generally on Saturday mornings. Practice begins on May 30; a parent meeting will be held on first day during practice.

Participants need to be 6 yrs+ by the start of the program and able to demonstrate the following skills: swim 25 yards using the front crawl stroke, tread water and be comfortable on their back in deep water. Participants over 10 years of age should be familiar with competitive strokes and able to perform the following skills: swim 25 yards using the front crawl or freestyle, 25 yards of backstroke, be familiar with breaststroke and the dolphin or butterfly kick. A screening will be held the first day to test these skills. If the participant cannot complete these skills, he or she can be reassigned to lessons or receive a refund. The annual Arizona Parks and Recreation Association Swimmers' Classic State Meet will be held on Saturday, July 28 at Kino Pool in Mesa. Participation in this meet is optional and requires an additional registration fee.
